

## Meet Chrystie

Chrystie Corns isn't just a regular couponing mom - she is an extreme couponer, single woman and hell bent on changing the face of couponers from old and frumpy to hot and sassy! As founder of **I Love To Gossip.com**, her goal is to help other single moms and young family take control of their finances, change their buying habits and learn how to start enjoying their money rather than spending it.

**I Love To Gossip.com** is a lifestyle website, founded in August 2010, and is dedicated to enriching the financial lives of its readers through sharing deals, coupons and money-saving tips.
